The November meeting will feature as speaker SCVOS Past President Javier Perez. Javier will be speaking on " how to winterize your greenhouse". Javier built a wonderful greenhouse in his back yard in San Jose. As winter is almost upon upon us, this is a topic which will interest us all. If you don't have a greenhouse, a lot of the information will apply to growing Orchids in your home or outside on your deck.

Don't forget the SCVOS Holiday Party, a flier is at the end of this newsletter. If you are attending, you need to sign up and pay at this meeting. Also, dues for 2018 will be collected and voting for 2018 officers.

October 2017 Meeting

The October meeting featured as speaker Tanya Lam on "long lasting and sequential blooming orchids". Many of the photos were orchids Tanya grows in her greenhouses in her home in San Jose. This is a topic we are all interested in. It is amazing how long some orchids will bloom. The photos were taken by Sally Guan and Dave Smitt.
