NEWSLETTER

DECEMBER 2019

NEWS RECAP

Our last speaker, Chen-Hao Hsu spoke about orchids in Vietnam and provided many insightful photos and information about their native climate. (You'd be surprised how many of them you can grow here in CA!) And, as always, his plant table was to die for!

Remember that there is no meeting in January! Keep a lookout for the January edition of the newsletter for upcoming speaker info.

MEMBER SUBMITTED PHOTOS

If you take a photo of your orchid that you feel is so good that you have to share it, e-mail it to Sandi, Sarah, or Cheryll and we will put it up on Facebook. It would very well be in the monthly newsletter!

IF YOUR DUES ARE DUE.... DO THEM!

By now, you should have received a renewal packet via e-mail. Many of you know how much work the board members put into our society. We all strive to keep you all entertained with amazing speakers and top-quality species and hybrids. In order to keep SCVOS running like the well-oiled machine it is, we need

your continued support by renewing your dues. Your annual contribution will help us improve many aspects of the society and, most importantly, keep everyone happy and loving orchids!

Please reach out to Cheryll Moss for renewal.
