The August Meeting will feature as speaker SCVOS member Ed Nazzal on "101 Ways to kill an Orchid". Ed has a lot of very technical information regarding Orchids and can really help you become a better grower. As an advanced grower, he has plenty of experience in killing orchids (as we all do). Ed has just moved and built a new greenhouse and I am sure he will answer questions about that. He has also has traveled extensively in South and Central America to view orchids in their native habitat.
